NOTES:
 Contours shown hereon are plotted from actual field topography and assumed U.S.G.S. map data. The owner, his heirs or assigns shall, within six (6) months after receipt of written notice from Jackson Township, install concrete sidewalks which conform to current Township standards. All lot lines shall be shown with iron pins prior to recording of the Final Subdivision Plan.
 The following written to the Jackson Township Supervision and Land Development Ordinance are hereby required in writing with this plan and approved by the Jackson Township Board of Supervisors on the 14th Day of MAY, 2024.
